Proof of commencement of work shall be filed before July 15, 1921.

Work must be prosecuted with reasonable diligence and be completed on or before August 1, 1921.

Proof of completion of work shall be filed before September 1, 1921.

Application of water to beneficial use shall be made on or before August 1, 1925. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 1, 1925.

Proof of labor filed SEP -5 1921 - WITNESS MY HAND AND SEAL this 17th day

Oct. 10, 1921.

Proof of completion of work filed. JUN 26 1923 of January, 1921.

J. B. Sangham  
State Engineer.

This permit is issued subject to all prior rights on the source, and with the specific understanding that only the surplus waters of the source described herein not used by prior appropriators, can be diverted hereunder.

In accordance with the above, it is specifically understood that the applicant, Thomas Mathis, or his agent, will cease diversion of water whenever it is all required to satisfy prior rights.

The State Engineer reserves the right to regulate the use of water under this permit at all times.

It is distinctly understood that any violation of the terms of this permit shall constitute a forfeiture of the same.
